Miss Fannie Wilson

Stephensville K's

Dear Friend

I received a letter from G. M. Goady the letter did not say whether mine was the letter stating you were very sick and was taken last Saturday night.

I am very sorry to learn of your sickness. I sympathize with you and wish you a speedy recovery from your illness.

During your sickness you must let me know how you are getting along. Sweet Heart I hated very much to hear you was sick but sickness cannot be helped after,
